

# Receive your renewals electronically

Save more time with tools that make it easy to manage your renewals online. When you sign in to your one-stop shop at [account.kp.org](https://account.kp.org), you can view renewal information, see your packet the moment it's available, and make quick decisions and changes.

## Get more done in less time

Opting into electronic renewals brings you a faster, easier, and more efficient experience by enabling you to:

- View information online instantly instead of waiting 1–2 weeks for mail to arrive
- Make changes online without having to fill out and mail forms
- Check out plans, rates, and benefits, and compare your options
- Change plans, add new enrollees, and make changes to existing employees instantly
- Access your full transaction history in one place

## Sign up in 3 easy steps

- 1 Sign in or register at [account.kp.org](https://account.kp.org), and go to the "Renewals" page.
- 2 Click on "Change Group Information" and select "Renewal Delivery Preference – Web (Online)."
- 3 Complete the "Agreement and Signature" section and click "Submit."

### Go green with Kaiser Permanente
