

# The health of your employees is our business

Kaiser Permanente is built to be different as a nonprofit<sup>1</sup> offering **care and coverage – together.**

## A better value

**Broader choice of plan options**, including POS, PPO, and Plus plan options with participating providers

A variety of **funding options** to help control costs

**Disruption-free enrollment** for smooth care transitions (*from common to complex*)

**New Member Connect Team** for seamless employee onboarding

**New options** for care and coverage away from home

**Our integrated, well-executed model of care outperforms competitors** on both quality and cost-efficiency. And it's built to continuously improve care for all our members<sup>2,3</sup>

## Ease and convenience

**Care under one roof** at a Kaiser Permanente facility where at most locations members can see a doctor, fill a prescription, and get a lab test or X-ray<sup>4</sup>

24/7 video and phone visits – **no appointment needed**

**More appointment options** and enhanced online scheduling

**Expanded mental health services** – no referral needed

**The right care at the right time:** Routine preventive, specialty, urgent, emergency, and hospital care

**Prescription delivery** by mail<sup>5</sup>

**Your employees can choose or change doctors** at any time
