## HEALTHY EXTRAS

Empower your employees to be healthier, happier, and more engaged in their health care. Offer them a package including one or more of the following supplemental plan riders to round out their package.

### CHIROPRACTIC, ACUPUNCTURE, MASSAGE THERAPY, AND NATUROPATHY

You can offer your employees plans that cover visits to a chiropractor, massage therapist, acupuncturist, or naturopathic doctor and \$50 toward chiropractic appliances each year – all at low, predictable copays. Services are provided by more than 3,200 of these specialized providers through American Specialty Health, Inc.

### OPTICAL

Our Optical riders offer your employees a flat dollar allowance that refreshes every calendar year and can be used toward the purchase of prescription eyeglasses – including frames, prescription lenses, and lens treatments – or prescription contact lenses, contact lens exams, and fittings.

### DENTAL

A dazzling smile is a great way to show off good health. Services are provided by Hawaii Dental Service (HDS) and include 2 examinations, bitewing X-rays, and cleanings per calendar year. The plan picks up 70% of the costs for specialty services such as periodontics, endodontics, and oral surgery – and an additional 50 to 70% is covered for prosthodontics, and crowns and fillings. Members pay discounted rates by visiting a participating dentist. And HDS gives your employees access to a broad network – 9 out of 10 of Hawaii's licensed, practicing dentists participate with HDS.

Contact your account manager or broker to get a complete list of all the services included with each rider, along with any applicable fees.
