Representation Regarding Waiting Periods

Group hereby represents that Group does not impose a waiting period exceeding 90 days on employees who meet Group’s eligibility requirements. For purposes of this requirement, a “waiting period” is the period that must pass before coverage for an individual who is otherwise eligible to enroll under the terms of a group health plan can become effective, in accord with the waiting period requirements in the Patient Protection and Affordable Care Act and regulations.

In addition, Group represents that eligibility data provided by the Group to Company will include coverage effective dates for Group’s employees that correctly account for eligibility in compliance with the waiting period requirements in the Patient Protection and Affordable Care Act and regulations.
