

Bill Delivery Preference for Groups in Colorado

As part of our “go green” initiative, Kaiser Permanente offers paperless billing as our standard delivery method. Help us reduce paper waste and guarantee the earliest access to your billing information each month by viewing your bills online at account.kp.org. Ask your sales representative for a tour of our online tools today.

Paper bills are still available if you need them. If you select this option, we will print and mail a bill each month. Let us know below how you prefer to receive your bill.
